Dear Rev'd Murray,

**RE: Appreciation of Worship – St Martin's Tara Parish**

On behalf of the parishioners of the Tara parish, I'd like to pass on our gratitude to St Mark's in supporting our recent visitors The Rev'd Allan Sheppard, Dawn Sheppard, Anne and Neall Adams.

St Mark's consideration in bearing all costs to the visit is greatly appreciated, it's understood our guests were quite comfortable with their accommodation at the Tara Spa Apartments.

The visit to our region is a non stop programme yet spiritually rewarding for us all through worship and fellowship. It was an absolute pleasure to serve alongside The Rev'd Allan Sheppard who brings warmth and compassion to his services and all who he may meet on his journey.

The Lord delivers people into our hands for reasons which may be unknown at the time, however, throughout the visit it's usually revealed to us. Neall's skills and knowledge of audio equipment, Dawn's personal acknowledgement was encouraging and Anne's selflessness of donating 6 crocheted knee rugs to Tarcoola, our local aged care facility was a welcomed and wonderful surprise to the visit.

A personal thanks to Petrea for arranging the finer details of the stay; keeping Petrea in our prayers for positive healing with her recent surgery.

I'd like to leave an open invitation for anyone in your parish to join us if they're travelling through or wish to provide worship at a future date.

Grace and peace,

Michelle Heuston  
Liturgical Assistant
